

Lunch Menu

Eating at Dock

Let us order you a healthy and varied meal for your meeting with us. You can choose whatever takes your fancy from the different choices below and if you need more information regarding allergies, just ask.

Mezze Sharing Boards

Each board would serve 2 people as a lunch or 4-6 as a side dish

Greek Board

A mix of Greek olives & feta cheese, lemon humous, tzatziki, sunblush tomatoes, roasted mixed peppers & courgettes in olive oil. Served with toasted pita bread.

Italian Board

Italian olives, smokey vegetables & chilli, sunblush tomatoes & fresh basil, homemade roasted red pepper pesto, italian cured meats, mini mozzarella balls & toasted rosemary focaccia bread

Spanish Board

Warm potato tortilla pieces, warm glazed mini chorizo in honey, roasted peppers with cream cheese stuffing, green olive dip, chunky salsa, parsley & lemon anchovies, spanish olives & mixed cured meats with toasted flat bread.

Sandwiches

A selection of thick cut granary & white farmhouse sandwiches with deli style fillings & thick cut crisps.

Directors Lunch

A buffet of the following:

- A selection of home-cooked meats, roast beef & horseradish cream, cider ham with chunky apple sauce
- Homemade vegetarian quiche of the day
- Warm charlotte new potatoes with parsley butter
- Mediterranean style roasted vegetable mint couscous
- Deli style coleslaw
- Allotment salad
- Selection of rustic breads & butter

Design your own buffet lunch

A selection of sandwiches and classic fillings & 4 choices from below:

- Local butcher scotch eggs with chive mayo
- Local pork pie & pickle
- Homemade pork & sage sausage rolls
- Thick cut crisps
- Mini homemade steak & ale pies
- Salmon goujons with tartar sauce
- Chilli & lime chicken skewers
- Crudities & dips
- Basil marinated mozzarella & cherry tomato skewers
- Tomato & red onion bruschetta
- Indian savoury selection
- Goats cheese, red onion marmalade & roasted pepper tartlet

For up to 15 people, this can be served individually on a wooden board.
Please tick this box if you'd like to choose this option.
